Dear Tiah, Flossy, Billy and Florence,

We were really happy to receive your letter and we have heard many great things about your school. I hope you have heard many great things about our school as well.

We are now writing to introduce ourselves and to answer your questions.

Khalid: Hi my name is Khalid and I'm the Head Boy. I love all types of sports. I like to rap and I like to make people laugh and smile. I love being a Head Student because it has a great responsibility and I believe I am determined to do anything – I also like the design of the blazers.

Noelia: Hello my name is Noelia and I am Head Girl. I like to ice skate. I am a dog-lover, I love Taylor Swift and I like netball. I love being Head Student because I feel responsible and I like to hand out our Gold Awards on Fridays.

Last year, our school got the idea of Class Books from your school and we really enjoy having them. The Class Books was a great idea because it helps children to remember more of what they learnt in class. When we have visitors in our school, we are always proud to show off our Class Books and our visitors are always impressed with the quality of our work.

Here are the answers to your questions:

1) What do you do as Head Students and what are your responsibilities?

As Head Students, we communicate with the Headteacher and our School Council about issues around the school and how we can address those problems. Our responsibilities include: handing out Gold Awards, handing out times tables star badges, running stalls at school fairs and being a great role model. As Head Students, we are Play Detectives. That means when OPAL (Outdoor Play and Learning) is happening we go around with cameras and try to take photos of great play!

2) Do you have Head Student meetings?

Not as often as we'd like, but we do attend all the School Council meetings.

- 2) Do you have a netball and a football team?
- 3) What is the best thing about your school?

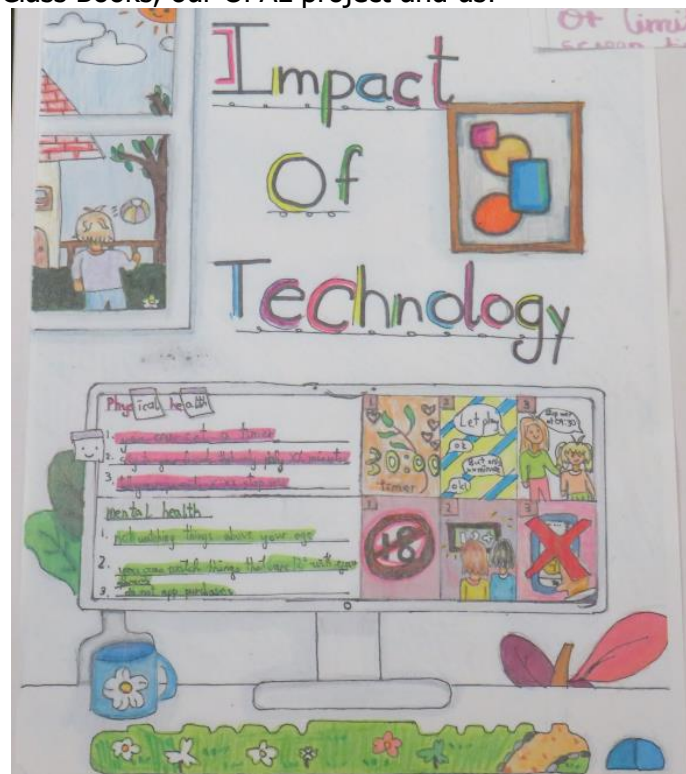

We look forward to hearing from you.
