

Adverse weather conditions

Here are the procedures for any necessary school closure. Please be aware that we only close if absolutely necessary and liaise with both the Infant school and local schools within the area.

If heavy snow fall occurs overnight, you will receive a text message around 8.00am. The school will contact Heart FM (97.1FM / Yeovil) and BBC Somerset (<http://www.bbc.co.uk/news/england/somerset/>) to inform them of the closure. If weather deteriorates during the day, a decision may have to be made and a text will be sent to you. We realise many parents work and therefore advise you to consider emergency pick up procedures.

Please note: It is essential that you keep us up to date with current mobile numbers and check your mobile phone regularly.
