

What knowledge do we want pupils to gain in Geography?

- We believe that pupils should extend their knowledge & understanding beyond the local area to include the UK and Europe, North & South America
- We want pupils to know the location & characteristics of a range of the world's most significant human & physical features.

	Locational knowledge	Place knowledge	Human & Physical geography
3	UK = locate counties in region of South West locate regions of UK Name rivers & hills in Somerset	Study of county in South West (Somerset)	Physical = Rivers (focus on River Parrett) and the Levels Human = Types of settlement & land use (charcoal & withies on the Levels)
4	UK = Name & locate counties in South West Name regions in UK Name & locate rivers & hills in SW	Study of region in UK (South West) Geographical similarities & differences	Physical = Coasts (focus on coastal resort eg Lyme Regis) Human = Types of settlement & land use (tourism)
5	UK = Name & locate cities in UK Europe = locate countries & major cities in Europe (inc. location of Russia) World = locate continents in World/Identify Equator, Southern & Northern Hemisphere, Tropics of Cancer & Capricorn	Study of contrasting region in UK (city) Study of European country Geographical similarities & differences	Physical = Volcanoes & Earthquakes Human = economic activity including trade links (city)
6	UK = locate cities World = locate countries & major cities in World/Identify Arctic & Antarctic Circle, Latitude & Longitude/Prime, Greenwich Meridian & time zones	Study of region within South America (link to Rainforest for locational knowledge)	Physical = Mountains / climate zones/ biomes & vegetation belts Human = distribution of natural resources inc, energy, food, minerals & water
